Andrew: vagrant story re-released on psp
Andrew: its time, barrett
Andrew: tactics: lion war, vagrant story, xenogrears, ff7-9 are all on psp
Andrew: its the golden age of late 90s RPGs
Andrew: on handheld
me: fine
me: I'll get one
Andrew: vagrant story, man
Andrew: also, skyrim gameplay trailer
me: https://www.bankofamerica.com/
Andrew: what about it?
me: loading slow, eh?
Andrew: 33ms here - looks like it hits an akamai server on my backbone
Andrew: why?
me: BoA has been uncivilized
me: getting hit now
me: not by us, though
Andrew: getting hit now with what?
Andrew: their web site is on edge servers
me: not sure
me: we don't know
me: met thejester the other day
Andrew: I dont want to know anything more about that until you get a secure IM client
me: get blink
me: fag
Andrew: link?
me: it's voice
me: google it
me: it's what the cool kids use
Andrew: I'm a software engineer - don't ever tell me to google something <http://www.google.com/search?sourceid=chrome&ie=UTF-8&q=blink#sclient=psy&hl=en&q=blink&aq=f&aqi=g5&aql=&oq=&pbx=1&bav=on.1,or.&fp=a2885925ea8ae0>
me: http://icanblink.com/
me: fag
Andrew: page 2 fyi
me: THANKS
Andrew: this is not the type of security im talking about
me: dude
me: it's secure enough for Anons
me: I don't have time to type out a lot of shit
me: and want to talk to you
me: barrett.brown@sip2sip.info
Andrew: this is very dangerous - hosting your server in the netherlands is not security
Andrew: get end-to-end encryption and we'll talk
me: k lol
me: transistor@hushmail.com
me: get one
Andrew: slink@hush.com
Andrew: you can also just pgp your regular mail account ...
me: yeah, or not
me: for various reasons
me: srsly
Andrew: ok fine
me: it keeps coming through from your end as message from that thing
me: saying I don't have thing I obviously have
Andrew: i didnt see your presence drop
Andrew: did you close pidgin & restart?
me: one sec
